

Principal's Message

Welcome to week 7 at Seaham Public School. I hope our families had a great long weekend despite the weather. On Tuesday, our **school policy team** met for the first time. A big thank you to Lucy O'Brien and Lynda Cope who have given up their time and committed to being our community representatives on the policy team. On Tuesday we started looking at our anti bullying policy. Soon there will be a chance for you to have your say as gaining feedback about our current policy is part of the process. Our aim is to update and develop a policy which includes input from community, staff and students and is a user friendly document that is easily accessed and understood. Later we will be developing our homework policy. The policy team will meet again in our library on Tuesday, June 26 from 3:15pm. In the meantime there is a great website called NSW anti-bullying which has great information for parents if their child is involved with bullying. The link is :: <http://antibullying.nsw.gov.au/>

Peer Support - Today our senior students ran the first peer support session for the year. The sessions involve all students in mixed age groupings. The program empowers our young leaders to support each other while they teach skills in resilience, assertiveness, decision making, problem solving and leadership.

PBL - Congratulations to all students who received their E or D certificate this week. Our PBL community award winner this week is Cody Heard. Cody is a great school citizen who took it upon himself to tidy up an area of our playground without being instructed to. Well done Cody.

These include peanut butter, nutella, sesame seeds, loose nuts, muesli, nut or chocolate bars or any products containing any type of nuts. We appreciate your support in this matter.

PEER SUPPORT

Week 2 : During Peer Support next week the children will look at the notion that what they choose to spend their time on often reflects the values they have. The activities will also assist them in identifying ways they care for themselves and others, developing their understanding that you are caring when you notice the feelings and needs of yourself and others. During the week encourage your child to demonstrate they are caring by doing something helpful or displaying kindness around the home.
