Principal's Message

Welcome back to another busy and exciting term. Our fete is fast approaching. There will be a lot of communication regarding fete organisation coming home with your child. Please ensure you have seen and completed the information sheet for the end of school organisation on the fete Friday. As you could imagine the beginning of the fete is always a busy time. It is essential that we know who is catching buses, being picked up or staying on after school during fete day.

Seaham Starters - We look forward to meeting our 2020 Kindergarten students next Tuesday at the first 'Seaham Starters' orientation session from 10:30 in our school library. During the four week program parents can attend information sessions whilst the children get used to their new classroom and surroundings.

Warmer Weather - Please ensure your child has an appropriate hat at school each day. Our sun safe policy is implemented all year but is obviously more important during the warmer months. Please also make sure your child's hats and jackets are labelled with their name.

Community PBL - Apologies as I announced in the last newsletter that Community PBL awards had concluded for the year. This is not the case and they will continue for a few more weeks. This week's winner is Kye Butler who has been noticed a number of times cleaning up the playground without being asked to.

The **Education Act 1990** requires you to ensure your child attends school each day that instruction is provided unless they are prevented from doing so by sickness or other acceptable reason and for you to provide an explanation for any absence. The Act requires you to explain your child's absences within seven days of their occurrence. Failure to do so will result in an unjustified absence being recorded.

POP PAYMENTS

Parent Online Payments (POP) is an option for families to make payments to the school. This is a secure payment page hosted by Westpac whereby you can pay using a Visa/Mastercard credit or debit card. The payment is accessed from the front page of the schools website by selecting **\$Make a Payment**.

Due to enrolled children's life threatening Anaphylactic Allergic reactions to all nuts and peanut products, we would like to encourage families not to send these products to school with their children. These include peanut butter, nutella, sesame seeds, loose nuts, muesli, nut or chocolate bars or any products containing any type of nuts. We appreciate your support in this matter.

INFANTS SPORT - TERM 4

Infants Sport Term 4

Infants classes will be participating in a funded gymnastics sports program for five weeks this term. The program will take place on Fridays beginning Week 3 in the hall. Consequently we are asking infants students to **wear their sports uniform on Monday and Friday** this Term.

Students enjoy the gymnastics program with specialised equipment and qualified instructors. We are looking forward to it.

SPORT - 5/6B & 5/6E

Please note there has been a timetable change for sport for classes **5/6B and 5/6E to Mondays. This will be all of Term 4.** Therefore students will need to wear their sports uniform on Mondays.

YEAR 3/4 - SOLAR OVENS

In Science 3/4A has been working on making solar ovens. Last term Mrs Dybell took Year 3 and 4 to the Hunter Wetlands to learn about solar science. We saw a solar oven there and it inspired us to make solar ovens in groups. When we were finished making them, we put Smores in them.

The plan was to melt the chocolate over the marshmallow but the marshmallow ended up melting.

We had a really fun time eating them and making the solar ovens. We just want so say thanks to Mrs Dybell for letting us do it.

FETE - SWEETS & TREATS DONATIONS

If you are able to donate any sweets and treats for our Sweets & Treats stall at the Fete could you please deliver them to school in the morning on Fete day. They may be left at the 3/4A classroom, the school canteen or the office.

Thank you in advance for your kind donation.

COMMUNITY PBL

Kye Butler

Kye looks after the environment at Seaham. He has been recommended several times for picking up rubbish and ensuring that our playground is neat and tidy.

HEALTHY SCHOOL CANTEENS

When it comes to healthy eating it is important that kids get consistent messages at school and at home. As part of the NSW Healthy School Canteen Strategy, the Good for Kids team provides support to school canteens to create healthy canteen menus.

How can parents help?

Below are some ideas to use at home that support the NSW Healthy School Canteen Strategy and build positive food habits for life.

- **Swap sugary drinks with water.** For a twist try adding sliced or frozen fruit, herbs or vegetables to the water.
- **Plan meals together** and allow your child to assist in compiling a shopping list, and help with meal preparation and cooking.
- **To add flavour to meals** use your favourite herbs and spices. Spring is the perfect time to plant a herb garden with your kids. Easy to grow herbs include mint, chives, thyme and basil.
