

**LIVE – LEARN – CARE****Principal's Message**

Welcome to week three at Seaham Public School. What a wonderful week it was last week culminating in our fete. Final figures are not yet in but it looks like the fete could raise \$15000+. What a huge effort from organisers and school staff. Thank you so much to our Seaham community for attending and supporting all the stalls and activities.

Principal's Conference - For the majority of this week I have been in Sydney attending the Primary Principal's Association Conference. It is always great to connect with other Principals and discuss challenges and programs that have had impact in their schools. Thank you to our current Assistant Principals, Mr Eagleton, Mrs Bowman and Ms Atchison who filled in for me in my absence.

Seaham Starters - Week 2 of our orientation program was really positive. Our 2020 kindergarten students spent their first time in the classroom while parents attended a literacy and numeracy session in the library hosted by Mrs Bowman and myself. It was great to see so many parents stay and attend that session.

Community PBL - Don't forget the Christmas parade and fun day is happening at the Raymond Terrace Marketplace and surrounds on Sunday November 10. Students, who wish to march, need to meet me at Market Place at 10am. Remember to wear your school uniform (sport uniform). This week's Community PBL winner is Jadah Brown. Jadah was nominated for the work she did at the school fete. She went above and beyond during the day, particularly during the clean up at the end.

Due to enrolled children's life threatening Anaphylactic Allergic reactions to all nuts and peanut products, we would like to encourage families not to send these products to school with their children. These include peanut butter, nutella, sesame seeds, loose nuts, muesli, nut or chocolate bars or any products containing any type of nuts. We appreciate your support in this matter.

TURN OFF SCREENS AND GET ACTIVE!

Screens can be great for learning, play and communication, but too much screen time can be unhealthy. Try to sit less and move more.

How can parents help?

- Ensure kids have at least one hour of physical activity a day,
- Limit kids total screen time to less than 2 hours per day,
- Remove TV sets and computers from your child's bedroom,
- Encourage other types of fun that include both physical and social activities, like walking the dog or joining a sports team.
