Principal's Message

Welcome to week four at Seaham. You may have noticed some changes in our playground recently. Students raised a motion at our school parliament that they would like more seating down in our back playground. Our P&C, in particular Nat Meehan and Liz Bacon, kindly sourced and organised for more sandstone blocks to be delivered to our school and placed in areas around our playground. Thank you so much to Daniel Rudd for using his equipment and his time to place them in position. It is much appreciated. It also reinforces with our students that they have a voice and their suggestions can be turned into reality.

School Policy Team - Our team continues to meet and currently we are working on a school homework policy. Thank you to the families that have already responded to the survey on the Skoolbag app. You can still access, complete and submit this survey through the app. It can be found when you hit 'notices'. This information is valuable in informing our policy. A reminder that our team meets on the second Tuesday of each month from 3:15pm in our school library.

Community PBL - This week's recipient of the community PBL award is Sophie Letham. Sophie assisted her neighbour by locating and returning their lost horse. Sophie is a fine example of a student who has had a positive impact on others and on her community. We are always on the lookout for our students doing positive things in their community. Parents are welcome to nominate students who have done wonderful things by filling out a nomination form at our front office and popping it in the nominations box.

Cars on site - Just a reminder to parents and community members about picking up and dropping off your child. The only areas available are on Still Street or alternatively you can park across from the school on the corner (near the Community Hall) and walk across. Cars are not permitted on site during school drop off and pick up times.

P&C - FETE 2019

Recipes wanted!

As part of our fundraising efforts for our 2019 Fete we are putting together a "**Cook Book**" that will be professionally printed and sold to those who wish to buy one. To make this possible, I need parents, grandparents, carers and kids to send me yummy but easy recipes, ie; snacks, dinners, desserts and sweets etc.

If you could email your suggestions to keltmm04@gmail.com with your family name (if you would like it printed below your recipe) that would be great. If you don't have access to email, you can hand write it and hand it in to the office and I will type it up for you.

Thankyou

SPONSORS NEEDED - 2019 FETE

Seaham Public School is a small primary school in the Hunter region, with just over 200 proud students. We're an innovative learning school that is committed to delivering excellence within a rich and diverse learning environment.

In October this year we will be holding our biennial Fete. As part of our fundraising efforts for this event, we will be collating a recipe book using recipes from school and community members, which will be professionally printed and bound in A5 size format, together with photos and memories of our school and students. The recipes book will be available for pre-order or to purchase at the Fete.

We are offering local businesses the opportunity to advertise in the recipe book and to join our school community in celebrating the heart of the family- the kitchen.

It is also a great way to target customers for your business.

Compared to other advertising, a recipe book is something people look at over an extended period of time, and we are offering fabulous rates.

- Full page advertisement \$100
- Half page advertisement \$50

To reserve your space, or if you have any questions, please call Kelly Laver on 0447 027 159 or via email at keltmm04@gmail.com. Please submit expressions of interest by mid-June at your earliest convenience.

We do appreciate your support.

YEAR SIX T-SHIRTS

There are 3, 2019 Year 6 t-shirts still available for sale. Sizes are K16, M & L. Shirts are \$58. If you would like to purchase one of these t-shirts please contact the office.

PSSA NETBALL

Yesterday our school netball team travelled to Raymond Terrace to verse Grahamstown Public School. It was a close game against a strong team. Seaham scored 8 goals and Grahamstown scored 11 goals. Unfortunately it's a knockout, however we enjoyed the competition and the games we've played this year as a team.

Thank you to the parents for transporting us and supporting our team and to Mrs Lawler and Miss Warmsley for your coaching and support.

Due to enrolled children's life threatening Anaphylactic Allergic reactions to all nuts and peanut products, we would like to encourage families not to send these products to school. with their children. These include peanut butter, nutella, sesame seeds, loose nuts, muesli, nut or chocolate bars or any products containing any type of nuts. We appreciate your support in this matter.

SEAHAM PBL

This week we started our new PBL Golden Egg tokens and collection box. Students are working hard as a whole school to fill the collection box with golden eggs.

Once filled we will celebrate as a school our achievement by having a reward day. Students can receive a Golden Egg by demonstrating our positive behaviour values in the playground.
