Principal's Message

Welcome to week eight at Seaham Public School. As always there is lots happening in and out of the classroom this week. Recently we have applied for sporting schools grants which allows our students to experience sports that they may not normally participate in. This morning stage two commenced orienteering with a qualified instructor which is a fantastic opportunity. Orienteering combines sport and mathematics as well as team building and co-operation. Thank you to Mrs Imber for co-ordinating these great programs.

Staffing - Mrs Ferrie is continuing her leave and we thank Mr Labecki for his continuing efforts in the library. Mr Labecki has some great experience and knowledge, particularly in technology. We thank him for implementing STEM into our library program. The students loved working with robotics during Term 2. Mrs Lawler will be on leave during weeks 9 and 10. We welcome back Miss Roberts who will do a fantastic job with KL.

Community PBL - On Tuesday I attended a community PBL evening where we heard about the impact PBL has had in our schools and in our community. Positive Behaviour for Learning has reduced incidents of negative behaviour at our school and has also had a positive impact on other schools in our area. It was great to catch up with other schools on Tuesday. All schools implement PBL a little differently but all can measure the benefit of consistent messages about behaviour and teaching hard to address issues. This week's PBL winner is Dali Bobako. Dali is a friendly and welcoming student who recently found and returned a considerable amount of money. Well done Dali.

FETE - RECIPES

KEEP THE RECIPES COMING!

As part of our fundraising efforts for our 2019 Fete we are putting together a "**Cook Book**" that will be professionally printed and sold to those who wish to buy one. To make this possible, I need parents, grandparents, carers and kids to send me yummy but easy recipes, ie; snacks, dinners, desserts and sweets etc.

If you could email your suggestions to keltmm04@gmail.com with your family name (if you would like it printed below your recipe) that would be great. If you don't have access to email, you can hand write it and hand it in to the office and I will type it up for you.

Thankyou

Kelly Laver

FETE - SPONSORS NEEDED

Seaham Public School is a small primary school in the Hunter region, with just over 200 proud students. We're an innovative learning school that is committed to delivering excellence within a rich and diverse learning environment.

In October this year we will be holding our biennial Fete. As part of our fundraising efforts for this event, we will be collating a recipe book using recipes from school and community members, which will be professionally printed and bound in A5 size format, together with photos and memories of our school and students. The recipes book will be available for pre-order or to purchase at the Fete.

We are offering local businesses the opportunity to advertise in the recipe book and to join our school community in celebrating the heart of the family- the kitchen.

It is also a great way to target customers for your business.

Compared to other advertising, a recipe book is something people look at over an extended period of time, and we are offering fabulous rates.

- Full page advertisement \$100
- Half page advertisement \$50

To reserve your space, or if you have any questions, please call Kelly Laver on 0447 027 159 or via email at keltmm04@gmail.com. Please submit expressions of interest by mid-June at your earliest convenience.

We do appreciate your support.

PUBLIC SPEAKING

All stages are completing their Stage Finals this week ready to send the best onto the Whole School Final on **Tuesday 25th June at 9:15am** in the Hall. Parents/carers, relatives and friends are more than welcome to attend the finals. Students who get through will bring home an invitation for their family and friends. As with every year students from Kindergarten all the way through to Year 6 will speak at the finals.

This year we have decided to have an outside adjudicator come in and determine the best two students to represent the school in the Zone Finals early next Term. Mrs Sharkey is an experienced teacher who has expertise in public speaking and debating.

We are looking forward to hearing from everyone,

Deb Bowman
Public Speaking Co-ordinator

BOOKCLUB

Book club orders are due back this week. Don't miss out, order by 9am this Friday 21st June using LOOP online or by leaving your form and payment at the school office. Choose the gift option or note it on your form if you have any surprises for the kids and your order will be left at the school office.

CHOOSING HEALTHY SNACKS

Healthy snacks are important to help meet children's nutrition needs.

Choose snacks based on vegetables, fruit, milk, cheese, yoghurt and wholegrain breads, crackers and cereals.

Some **tips** to help plan healthy snacks:

- Include a vegetable and fruit snack each day.
- Add vegetables into homemade snacks (muffins, pikelets, scones and slices).
- Cut up vegetables and fruits so they are easier to eat for snacks during the week.
- Keep a range of healthy snacks in the fridge or pantry.
- Get your kids to help prepare snacks.
- Show kids you enjoy eating healthy snacks.

Due to enrolled children's life threatening Anaphylactic Allergic reactions to all nuts and peanut products, we would like to encourage families not to send these products to school. with their children. These include peanut butter, nutella, sesame seeds, loose nuts, muesli, nut or chocolate bars or any products containing any type of nuts. We appreciate your support in this matter.

2/3I - SHAPES

Year 3 have been learning about the properties of 3-dimensional shapes and enjoyed a hands-on task this week to consolidate their learning. Here are some photos showing some great team work and skills.

STAGE 2 - ORIENTEERING

PEER SUPPORT

Session 4 - **'Make the change'** - Our Peer Support module encourages students to identify any behaviours or actions they feel are unhealthy in self and others. Skill building in identifying behaviours, inclusive practice and developing empathy assist students to transition into making positive decisions to change. This might be an opportunity for parents of participating students to remind your child about when they have handled change well and their skills they could use.

COMMUNITY PBL

DALI BOBAKO

Dali is always an honest and supportive student. Dali always hands in money she has found.

On one occasion it was a significant amount that was returned to the grateful student who had lost it. Dali also always greets everyone with a smile and a friendly welcome.
