Principal's Message

Welcome to a very wild and windy week at Seaham Public School. This week is officially book week. Mr Labecki and all teachers have been working hard in the library and classrooms helping to instill the love of reading into our daily work. Reading really is a super power and can open the doors to a world of joy and learning. We celebrated book week during the recent education week with wonderful support from our whole Seaham community.

Balance Gym and Fitness Program - Students in Stage two and three have a wonderful opportunity to participate in the five week fitness program at 'Balance', Mayfield. The program caters for all abilities and involves alternate swim and then gym for four weeks with a combined pool activity during the last week. The program costs \$85, which includes all sessions and bus travel. There are still ten places available which we need to fill for the program to go ahead. The program commences Friday, week 6. Please contact the office if you wish your child to be involved.

Parent/Teacher Interviews - Thank you to those parents and carers who were able to attend their allocated time last week. Please contact the office if you were unable to attend and an alternate time can be arranged. Notes regarding interviews for 2/31 will be forwarded shortly.

PBL - This weeks PBL community winner is Billie Drew. Billie is a caring friend who looks out for others. She was nominated for going out of her way to ensure friends felt included during break time.

HUNTER RIVER HIGH SCHOOL GALA DAY

Last Friday Year 6 travelled to Hunter River High School for a Primary School Sports day. We played a number of sports like Touch Football, Soccer, Capture the Flag in the hall and an Aboriginal game on the basketball court. After most of the games we had a sausage sizzle for lunch. Before we returned to school we had a Sportsmanship Presentation and from our school Asha was awarded the Sportsmanship award. We all tried our hardest. We met lots of people and had a really good day.

PEER SUPPORT

Session 7 - **Standing Together** - Our Peer Support session in Stronger Together this week looks at the impact of how working together as a team with similar beliefs, can provide a barrier to bullying. When everyone is focussed on promoting positive behaviours that respect diversity and individual need, bullying can be reduced. Activities that focus on building the strength of teams and awareness of the responsibilities of bystanders assists in a whole of school approach. Parents could talk with their students who are undertaking the program about how they could help others who are not experiencing good relationships.
