Principal's Message

Welcome to week 8 at Seaham Public School. We welcome back Mrs Dybell next week after some leave. Thank you to Ms Roberts who has been doing a great job teaching Mrs Dybell's classes and supporting individuals and groups. We have also been lucky to host Tracey Kent, an intern, who has been working hard with K/1B. Tracey has been with us for four weeks. We wish her all the best for the future and hope she is teaching permanently in a school soon.

Labelled Clothing - At this time of year, when the mornings are cool and days warm, our lost property tends to pile up. We currently have a lot of jackets / jumpers without names. Please take some time to label your child's clothing, in particular jackets and hats. We do spend time at our short assemblies to try and match items to students. Having names on them really helps.

Are you OK? - Today is national 'RUOK' day. We have been encouraging our students to check in with others and start those conversations. As adults we also need to model that behaviour and look after ourselves and those around us. You don't need to be an expert to reach out, just a good friend and a great listener.

Community PBL - This week's PBL winner is Jordy Watson. Jordy is receiving the award because he is a good citizen at Seaham. Jordy gives up his own time to pack away sporting equipment without being asked to. Well done Jordy.

The **Education Act 1990** requires you to ensure your child attends school each day that instruction is provided unless they are prevented from doing so by sickness or other acceptable reason and for you to provide an explanation for any absence. The Act requires you to explain your child's absences within seven days of their occurrence. Failure to do so will result in an unjustified absence being recorded.

POP PAYMENTS

Parent Online Payments (POP) is an option for families to make payments to the school. This is a secure payment page hosted by Westpac whereby you can pay using a Visa/Mastercard credit or debit card. The payment is accessed from the front page of the schools website by selecting **\$Make a Payment**.

KINDERGARTEN ENROLMENTS 2020

Names are now being taken for Kindergarten in 2020. If you have a child, or know of a child, that will be enrolling in 2020, please contact the office for more information.

Due to enrolled children's life threatening Anaphylactic Allergic reactions to all nuts and peanut products, we would like to encourage families not to send these products to school with their children. These include peanut butter, nutella, sesame seeds, loose nuts, muesli, nut or chocolate bars or any products containing any type of nuts. We appreciate your support in this matter.

BOOKCLUB

Book club orders are due back this week. Don't miss out, order by 9am this Friday 13th September using LOOP online or by leaving your form and payment at the school office. Choose the gift option or note it on your form if you have any surprises for the kids and your order will be left at the school office.

DISCOVERY DAY

Last Friday 6 September Stage 3 travelled to Dungog High School for a STEM Discovery Day. A STEM Discovery Day includes activities such as construction and engineering. Eight schools participated in the event. Seaham was split into two groups and competed against each other. My favourite activity was the String Along (Hamish). Paterson won the tournament. Seaham Blue came 2nd out of eight schools. Well done Seaham!

Hamish and Lyla.

COMMUNITY PBL

Jordy Watson

Jordy is in kindergarten but already displays a very responsible attitude. He gave up his time, without being instructed, to pack up playground sporting equipment at the end of lunch.
